We believe in the gospel of Jesus Christ, who comes to free the captives, heal the sick and proclaim the good news of the kingdom of God. <b>We believe in a continually creating God who calls us to costly love.</b> We believe in a continually caring Christ whose example encourages us to risk ourselves for the sake of the gospel. <b>We believe in a continually healing Holy Spirit whose power enables us to share one another’s burdens.</b> We believe in a continually caring community called the church, which is the physical presence of Christ in the world. <b>We believe in a continually redeeming gospel that brings wholeness and healing to each child of God.</b> We believe in continually committing our lives to freedom and justice and healing, sharing our belief that the God who created us calls us still. <b>We believe in continually participating in Christ’s mission to live out the gospel in the world.</b>
