An “Unofficial” ECHO Gathering

We are planning an “unofficial” ECHO Gathering on Thursday, May 20 to go to the Danville Science Center. We will see the movie Expedition Reef, where you will learn the secrets of the “rainforests of the sea.” The length of the movie is approximately 25 minutes with another 10 minute Planetarium Live Sky show. Cost is $5.

In addition, we will be able to see the Butterfly Garden, to view some of nature’s most beautiful creatures. This will be at no extra charge.

Since the Science Center is currently not accepting groups, we will go as “individuals,” meeting there separately at 10:45, not meeting at the church. Please be masked.

Since space is limited, please contact Mark by May 13, if you would like to attend, so he can give a number to the Science Center.

Would you like your favorite hymn to be included in the Hymn of the Week presentations on Facebook?

If so, please contact Mark at the church or email: markgourley1984@gmail.com; (call/text) 919-920-3305; He’ll be glad to put it on the list pending copyright restrictions.

Who Are Our Graduates?

We want to know the names of graduates from high school, college, graduate school, technical or any other school. We especially want to know the names of church member high school grads. We will recognize our West Main high school graduates during worship on Sunday, May 23.

VERY IMPORTANT: We don’t want to miss anyone. If you would like for your graduate to be recognized, you must call the church and leave his or her name, what school they are graduating from and/or degree they will be receiving. Please don’t think “we should know!” We need to know the names no later than Friday, May 21 for publication in our newsletter. Call 792-5960.

I hope to see you in-person or online, Drew.

and guided us, and we will dedicate Jameson Palmer Kirk.

This Sunday we will celebrate the women who have mothered Jesus has given us the Holy Spirit and each other.

We will start with Philip being led by the Spirit to sit in a chariot with an Ethiopian Eunuch, read scripture with him, and go down into the waters of baptism. Where will we end? That is up to you.

For the next three weeks in worship, we are going to be contemplating “The Acts of the Holy Spirit.” My prayer is that these stories will not just be a lesson in Christian History, but an invitation to allow the Holy Spirit to write history with us.

As we continue on our own uncertain journeys, like Philip, like the eunuch, we need someone to guide us. The good news is that they began to understand God’s family as one in which, “There is no longer Jew or Greek, there is no longer slave or free, there is no longer male and female”, but all are one in Christ Jesus (Gal. 3:28).
